Venue : Basellos Paulose Indoor Stadium

Date : March 1st 2019

Time : 10.30 am

MAR ATHANASIUS COLLEGE OF ENGINEERING

KOTHAMANGALAM, KERALA 686 666

Extra Mural Lecture

PROGRAMME

The Extra Mural Lecture series is aimed at being a platform for the MACE family to get exposed to different ideas outside the academic syllabus and to interact with stalwarts of various fields.

In the recent past, EML series has proudly hosted **Mr. Sreejith IPS**, who delivered a talk on “**Gender Sensitisation and Cyber Crime**” and **Mr. Rishiraj Singh IPS**, who enlightened the audience on “**Substance Abuse - Societal Impacts**”. The talks have gathered wide acceptance among the student community and faculty members equally.

This time, EML series is honored to have **Padma Vibhushan Dr. E Sreedharan** to deliver a talk on “**Management of Projects - Challenges and Antidotes**”.

On March 1st 2019, we get to hear from the man of sheer will and impeccable certitude; The Metro Man of India, an epithet rightly earned. The way he stoically executes challenging works with excellence, amidst strategic, technical and political turbulence has always excited the engineering community and left the society in awe.

His talk spans across his experiences in Project management, the hurdles he and his team had to leap over, and his bout with the Metro projects to reach the highest echelons of credibility.

MACE happily welcome you to be a part of the event

Prof. Shibi Varghese
Co-ordinator
Extra Mural Lecture

Dr. Solly George
Principal

Prayer

Welcome Address : **Dr. SOLLY GEORGE**
Principal, Mar Athanasius College of Engineering

Presidential Address : **Dr. WINNY VARGHESE**
Secretary, Mar Athanasius College Association
and Chairman, Governing Body,
Mar Athanasius College of Engineering
