“Excellence is not a destination;  
It's a continuous journey that never ends.”  
- Brian Tracy

Madam/Sir,

The Mar Athanasius College Association has always striven to improve and modernise the infrastructural facilities of the institutions managed by it. The Association takes pride in providing top quality accommodation to the students within the campus. The newly constructed “Diamond Jubilee Hostel”, meant for the male students of Mar Athanasius College of Engineering, is all set to open. The hostel is a six-storeyed one and has all sorts of amenities to meet the home and recreational needs of the students. The kitchen of the hostel is fully automated and modernised; the mess hall has a seating capacity of 400 students. It has well furnished rooms, big activity spaces, safely-managed drinking water services, biogas plants and an effective waste management treatment plant.

The hostel building will be blessed and inaugurated by H. B. Baselios Thomas I Catholicos at 10.30 am on Friday 22 April 2022 in the Baselios Paulose Indoor Stadium. The inaugural function will be presided over by Dr. Rajasree M S, Hon'ble Vice Chancellor of Kerala Technological University.

We solicit your esteemed presence on the occasion and invite you to be a part of this prestigious ceremony.

**Dr. Winny Varghese**  
Secretary,  
Mar Athanasius College Association
