## DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERINGMAR ATHANASIUS COLLEGE OF ENGINEERING KOTHAMANGALAM

## ACTION TAKEN REPORT ON FEEDBACK ANALYSIS (2022 – 2023)

## 1. Actions taken on Graduate Survey:

No	Feedback	Action Taken
1	Curriculum lacks in improving the ability of students to analyze and investigate complex problems and to design solution.	examples.
2	Curriculum needs to strengthen the capability of students to design analogue and digital circuits using state-of-the-art technology.	<ul> <li>Students are directed to do different internships in reputed companies to get involved in real time designing of products.</li> <li>Implemented regular assessments to gauge students' understanding and proficiency in circuit design.</li> </ul>

## 2. Actions taken on Alumni Survey:

No	Feedback	Action Taken
1	Improve the technical knowledge and management skills of the students to meet the present day technical world	<ul> <li>Implemented practical, project-based learning experiences where students can apply theoretical knowledge in real-world scenarios. Established well-equipped laboratories and workshops for experimentation and prototyping.</li> <li>Offered classes on topics such as project management, communication skills, leadership, and entrepreneurship.</li> </ul>
2	Curriculum should include progressive learning and skills for a successful career.	procentations writing assignments

3. Actions taken on Employer Survey:

No	Feedback	Action Taken
1 <	Motivate the students to get excellent managerial/leadership quality with social commitment values	<ul> <li>Students are encouraged to attend and organize various technical fests and workshops</li> <li>Promoted to engage in NSS and club activities</li> </ul>

4. Actions Taken on Faculty Survey

No Feedback	Action Taken
Curriculum must enhancing coverage of modern engineering tools, Strengthen activities focused on teamwork and managerial skills, Deepen the integration of professional ethics and sustainable development concepts.	<ul> <li>Collaborated with industry partners to understand the latest advancements in engineering tools and technologies.</li> <li>Facilitated interactions with industry professionals through guest lectures and networking events to provide insights into effective teamwork and managerial practices in engineering settings.</li> </ul>
