

MAR ATHANASIOUS COLLEGE OF ENGINEERING
KOTHAMANGALAM - KERALA – 686666
DEPARTMENT OF ELECTRICAL AND ELECTRONICS
ENGINEERING

Vision

Endeavor to Ensure Excellence

Mission

Mould technically competent and morally strong Engineers Achieve dynamic leadership through quality Education
Cater the needs of industry and community through Emulation Empower the students to serve the nation with
Dedication

GRADUATE EXIT SURVEY

Greetings from the Department of Electrical and Electronics Engineering.

* Required

- Name (In full) *

- Email-id *

- Contact Number *

- Graduation Year *

- Placement details (if any)

Dr. MATHEW K.
Principal
Mar Athanasius College of Engineering
Kothamangalam, Kerala - 686 666

1. The curriculum helps in your level of knowledge in finding solutions to engineering problems *

| Excellent | Very Good | Good | Fair | Poor |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

2. The curriculum enhances your ability to analyze and investigate complex problems and to design solution *

| Excellent | Very Good | Good | Fair | Poor |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

3. The curriculum develops your skill to use modern tools and techniques in engineering activities *

| Excellent | Very Good | Good | Fair | Poor |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

4. The curriculum strengthen your ability to find engineering solutions for sustainable development considering the impact on society *

| Excellent | Very Good | Good | Fair | Poor |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

5. The curriculum promotes the level of ethical attitude and responsibilities in engineering practices. *

| Excellent | Very Good | Good | Fair | Poor |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

6. The curriculum provides proficiency at teamwork. *

| Excellent | Very Good | Good | Fair | Poor |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

7. The curriculum develops your communication with the engineering community and society.*

| Excellent | Very Good | Good | Fair | Poor |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

8. The curriculum enhances your level of knowledge in principles of engineering and management to manage projects. *

| Excellent | Very Good | Good | Fair | Poor |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

9. The curriculum enhances your ability to engage in life-long learning essentially in the context of technological change. *

| Excellent | Very Good | Good | Fair | Poor |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

Maichel

Principal
Mar Athanasius College of Engineering
Kothamangalam, Kerala - 686 666

10. The curriculum strengthens your ability to develop and design innovative power system incorporating state-of-the-art technologies. *

Excellent Very Good Good Fair Poor

☐☐☐☐☐

11. The curriculum aids your ability to apply control system principles and power electronics technique to support the industry and society. *

Excellent Very Good Good Fair Poor

☐☐☐☐☐

12. The course curriculum enhances your level of knowledge in electronic and communication system to find the optimal solution of industrial problems.*

Excellent Very Good Good Fair Poor

☐☐☐☐☐

13. The curriculum has relevance in real life situations and reflects current trends and applications in the respective disciplines. *
