B.TECH REGULATION-2024

Amendment – Provision for Add-on Courses

Provision for Add-on Courses

Mar Athanasius College of Engineering (MACE) offering a provision for the students to do skill-oriented “Add-on Courses” into the curriculum across all Departments.

These courses shall aim to:

- Enhance students’ practical skills
- Improve employability prospects
- Support overall professional development

The courses shall be structured in such a manner that students can earn Activity Points upon successful completion, in accordance with the applicable regulations. The above provision was approved by the Academic Council in its 3rd meeting held on 24.04.2026.
