B.TECH REGULATION-2024

**Amendment – MOOC Courses: Credit Assignment
and Grade Conversion Policy**

MOOC Courses - Credit Assignment

Mar Athanasius College of Engineering (MACE) offering a provision for the students to earn credits as part of the B. Tech Curriculum 2024 to enhance the academic and professional competencies of its students. MOOC courses can be the part of their regular curriculum, Minor and Honours Courses.

The credits earned by the students through the approved MOOC courses undertaken during their academic period shall be treated equivalent to credits earned through regular curriculum courses.

The Academic Council, at its 4th meeting held on 28.07.2026, decided and approved the following:

- i. The grade or percentage shall be accepted for credit transfer for the MOOC courses offered by recognized and approved platforms only.
- ii. Depending on the grading system adopted by the concerned authority conducting the course (either a letter grade, or the percentage of total marks obtained), the grades for MOOC courses undertaken by students as part of their curriculum shall be awarded according to the grade conversion policy given below.

The grade equivalence policy:

Grade	Grade Point	% of Total Marks /Grade Obtained
S	10	90% and above/ Elite + Gold
A	8	60% or above and less than 90%/Elite
B	6	40% or above and less than 60%
F (Fail)	0	Below 40%

- iii. The above grading and grade-conversion policy shall be applicable uniformly to UG and PG students.
