ENCOURAGING THE CO-CURRICULAR AND EXTRA-CURRICULAR
ACTIVITIES OF B.TECH STUDENTS

RULES FOR ASSIGNING ACTIVITY POINTS

BACHELOR OF TECHNOLOGY (B.Tech)

INTRODUCTION

Apart from technical knowledge and skills, to be successful as professionals, students should have excellent soft skills, leadership qualities and team spirit. They should have entrepreneurial capabilities and societal commitment.

In order to nurture these qualities, college has introduced activity points to be earned by the students during their academic stay at the college covering extra-curricular and co-curricular activities. All students have to earn a minimum of 100 activity points from various activity segments listed to qualify for the B.Tech degree. Two credits are given for this on a pass/ fail basis and is mandatory for getting the B.Tech Degree. As grade point is not assigned for these two credits, they are not included in the CGPA calculation. For lateral entry students joining from the third semester, the activity point requirement is 75. Points earned by the student will be indicated in the consolidated academic statement.

Faculty Advisor shall consolidate the activity points earned by students on a semester basis and enter the consolidated points on an academic year basis in the college portal. In case of NSS and NCC, points can be entered after the completion of two-year Programme. The portal for this will only be open for a specific time period. All documental proof for awarding the activity points should be obtained and kept with the department authorities to be verified by the Academic Auditor.
