ABOUT THE COLLEGE

Mar Athanasius College of Engineering pioneered engineering education in central Kerala in 1961. Managed by Mar Athanasius College Association, Aided by the Government of Kerala. The college is an autonomous institution affiliated with APJ Abdul Kalam Technological University. MACE, as it is popularly known, has grown by leaps and bounds since. It now has six full fledged departments.

ABOUT THE DEPARTMENT

The Electrical and Electronics Engineering department of Mar Athanasius College of Engineering has a proud history of over 60 years. Since its initiation, the department has set a standard of excellence through its academic and co-curricular activities. We have well qualified, meritorious, committed, and experienced faculty members and are equipped with excellent infrastructure. The department offers B.Tech programme in Electrical and Electronics Engineering and an M.Tech Programme in Power Electronics. The curriculum provides a flexible credit-based structure and continuous student evaluation to maximize learning and assimilation of fundamental concepts meeting the changing needs of the industry.

ABOUT THE FDP

The Faculty Development Programme equips faculty members, postdoctoral researchers, and research scholars with Empowering Research and Innovation through Artificial Intelligence, IPR and

Emerging Technologies. The FDP explores post-PhD pathways in academia, industry, entrepreneurship, and global research, fostering innovation, leadership, international collaboration, and research excellence.
